About the Alexandria Children's Chorus

Proud to be Alexandria's only children's community chorus, the Alexandria Children's Chorus (ACC) was founded in 2015 as a 501(c)3 non-profit and originally called The Del Ray Kinderchoir under the belief that every child can sing. Our singers learn and perform music from the rich offerings of American and international folk music, as well as from classical repertoire, and rehearse September through April.

About the Washington Metropolitan Philharmonic Association (WMPA)

WMPA's purpose is to unite and uplift our community through the transformative power of music in order to create and serve the future audience of orchestral music. The Washington Metropolitan Philharmonic (WashMetPhil) is a semi-professional volunteer orchestra that serves our community. Directed by Maestra Anna Binneweg, WashMetPhil presents four to five concerts a season featuring various guest artists and an annual side-by-side concert with the Washington Metropolitan Youth Orchestra. Beyond WashMetPhil, WMPA hosts two youth orchestra programs, a Summer Sundays chamber music series, and a community concert series.
